

# BRIDGTON SPORTS CAMP

*From the desk of Brian "Koop" Kooperman*

Dear BSC Families,

I am writing this note to everyone on International Camp T-Shirt Day. So many of our campers & staff members from all over the world have been wearing a BSC shirt and posting the pictures online. It's very cool to see how extensive the BSC reach is.

When re-enrollment opened this Fall, I spoke with many of you about camp, and how it has impacted your child. It is always special for me to hear that our campers are coming home as more confident and grown up young men while also improving in their major sport. That is why Bridgton Sports Camp was founded.

Now, through social media, we can stay in touch even further and see campers successes. Many have made their school, town & rec league teams and have won tournaments around the country. We ask that you please continue to share these stories with us!

Since session 2 ended in August, we have been busy preparing for Summer 2018. You will read about a few updates and events in this newsletter. As most of you know, almost all of our new families come from referrals. We have few spots remaining in certain age groups. If you know someone who is considering camp for this summer please have them contact our office asap. You will receive \$300 credit towards this summer for referring a new family.

As you begin to prepare for camp please call or email anytime with questions that come up. We are counting down the days until camp begins.

Wishing you all a happy & a healthy new year  
All The Best,

*Koop*

**BSC MADDNESS**

**CAMPERS, PARENTS AND STAFF** (new & old) are all eligible to participate in our **March Madness College Basketball Tournament**. The winner will receive a personalized BSC jersey of their choice. We will also have 2nd and 3rd place prizes. Instructions will be posted on our facebook page and emailed out in February.

**New For 2018**

# STAFF CORNER

Hey Guys,  
 Just wanted to take the time to thank Koop, the counselors, and most importantly, the campers for an unforgettable first year at camp. You all gave me one of the best summers I could ever imagine. It took no time at all to feel welcomed and comfortable with everyone. As for me I recently became the Head Coach for my old high school's JV Hockey team, and the offensive coach for the Varsity team. I've still been reporting the weather over here in the Midwest. St. Louis doesn't have many Nimbo-Stratus clouds compared to Bridgton, unfortunately. I am doing well and hope everyone else is too. I'm missing camp and all of you more than I thought I could.  
 Coach/Weatherman - Steven Kinnsion

I can not believe how quickly time has gone by. It seems like just yesterday we were all together at BSC, playing games, making friends, and having lots of laughs. As soon as camp ended I went to Ithaca, NY, for the start of preseason training for my collegiate field hockey team. My field hockey season is now over and I am busy with both school work and working as an athletic training student for the women's gymnastic team. I am training for my first half marathon which will run with my sisters and cousins in February in Orlando, Florida.  
 As I watch the leaves change color and the days get shorter and the nights colder, I think about next summer when we will have more victorious Sea Dogs games, lots of basketball games with Koop against the campers, some of Ruth's famous sriracha-mayo sauce, and of course- being back in beautiful Maine with my favorite people in the world.  
 Shelby :)

Hey everyone!  
 To start things off, I just want to thank everyone in the BSC community, from parents to the counselors and administration and especially the campers, for another awesome summer at camp. After the summer, I headed back to Palm Beach, Florida where I started training for my football season and got ready for another school year. In football, I am the kicker! I was recently chosen as a finalist for the Lou Groza High School Kicker of The Year award where I live. This winter, I will play basketball and in the spring I will run track. I cannot wait until summer 2018! It is hard to believe this will be my eighth summer, but each year seems to get better and better. Lets all work hard this school year, and in our sports, and carry that momentum and energy to camp next summer.  
 Looking forward to seeing everyone!  
 Lowell Carr

Hey Guys - Since camp ended in early August, I've accepted a job coaching basketball at a private prep high school in Bethel, Maine called Gould Academy. We have some very talented players and play all throughout New England. We play in the NEPSAC (New England Prep School Athletic Conference) in the AA division which is highly competitive and filled with dozens of division one athletes. I work in the admissions office on top of coaching hoops. As I write this we won our first scrimmage by 40 and are anxious to start the regular season when we return from break!  
 Logan

# Florida Reunion!

## Parent Reminders

All 2018 camp forms are now available in your CampMinder account (this can be accessed under the "current families" tab on the website).

## Friends & Family REFERRAL PROGRAM

We still have openings in certain age groups and as always, most of our new campers hear about us from existing families. If you recommend someone who enrolls this summer you will receive a \$300 discount on tuition.

## STAY IN TOUCH

We use all of these social media outlets to stay in touch all year!
